

TOM TOM

19 52

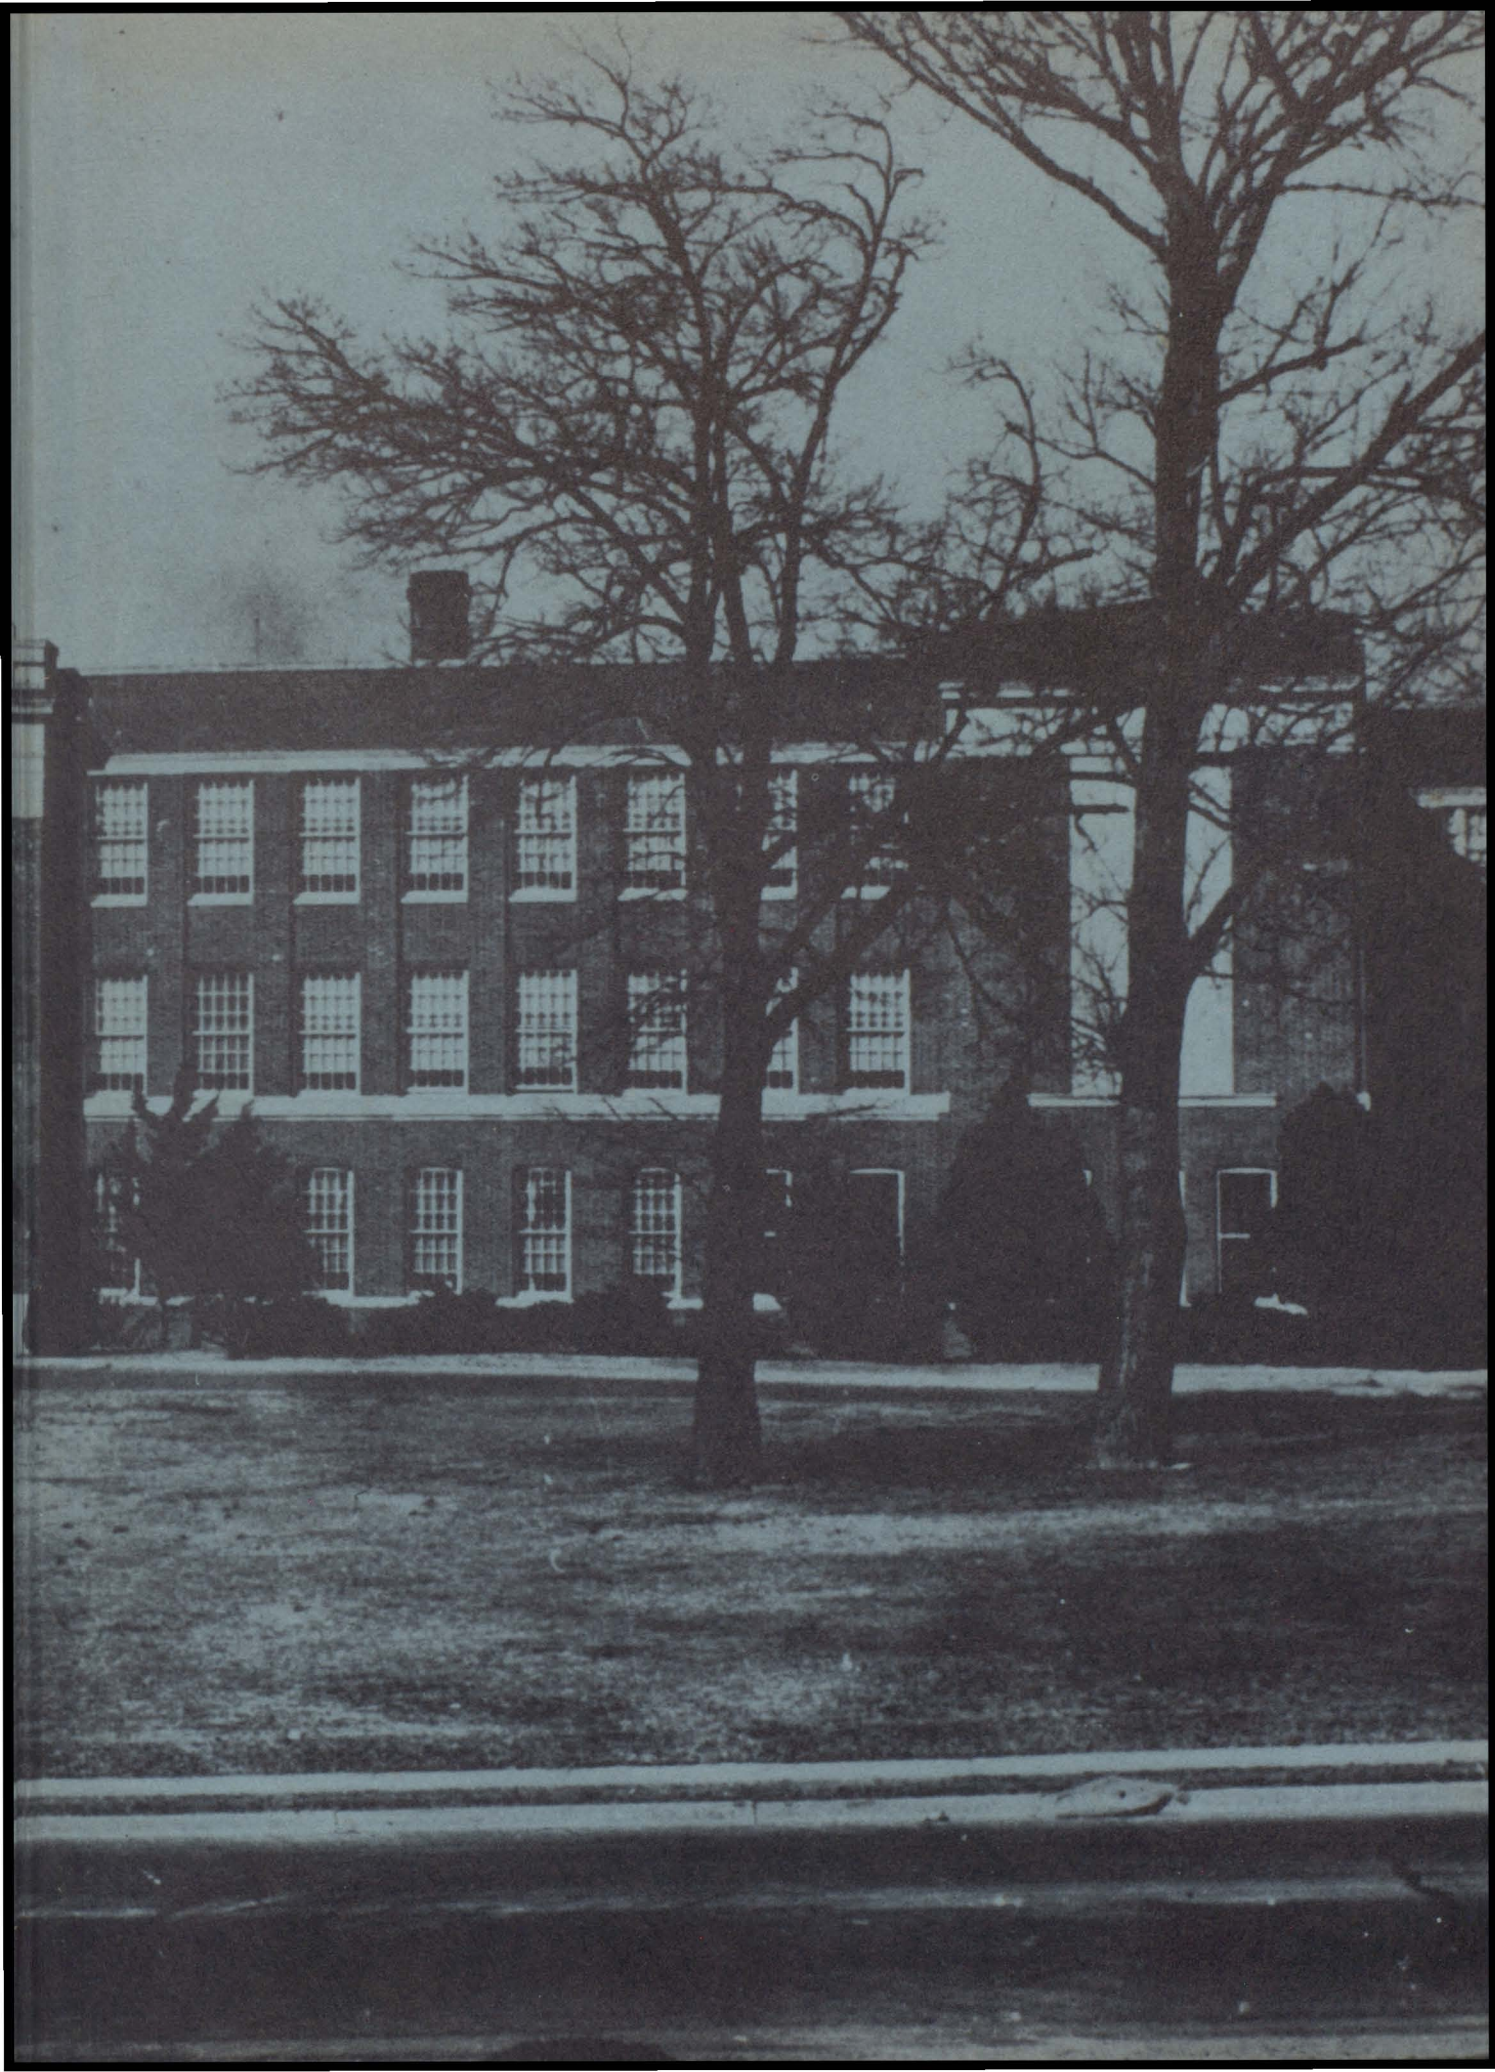

Dreaming of Alma Mater,  
Down on the Eastern Shore,  
Dreaming of pals and friendships,  
Memories forevermore.

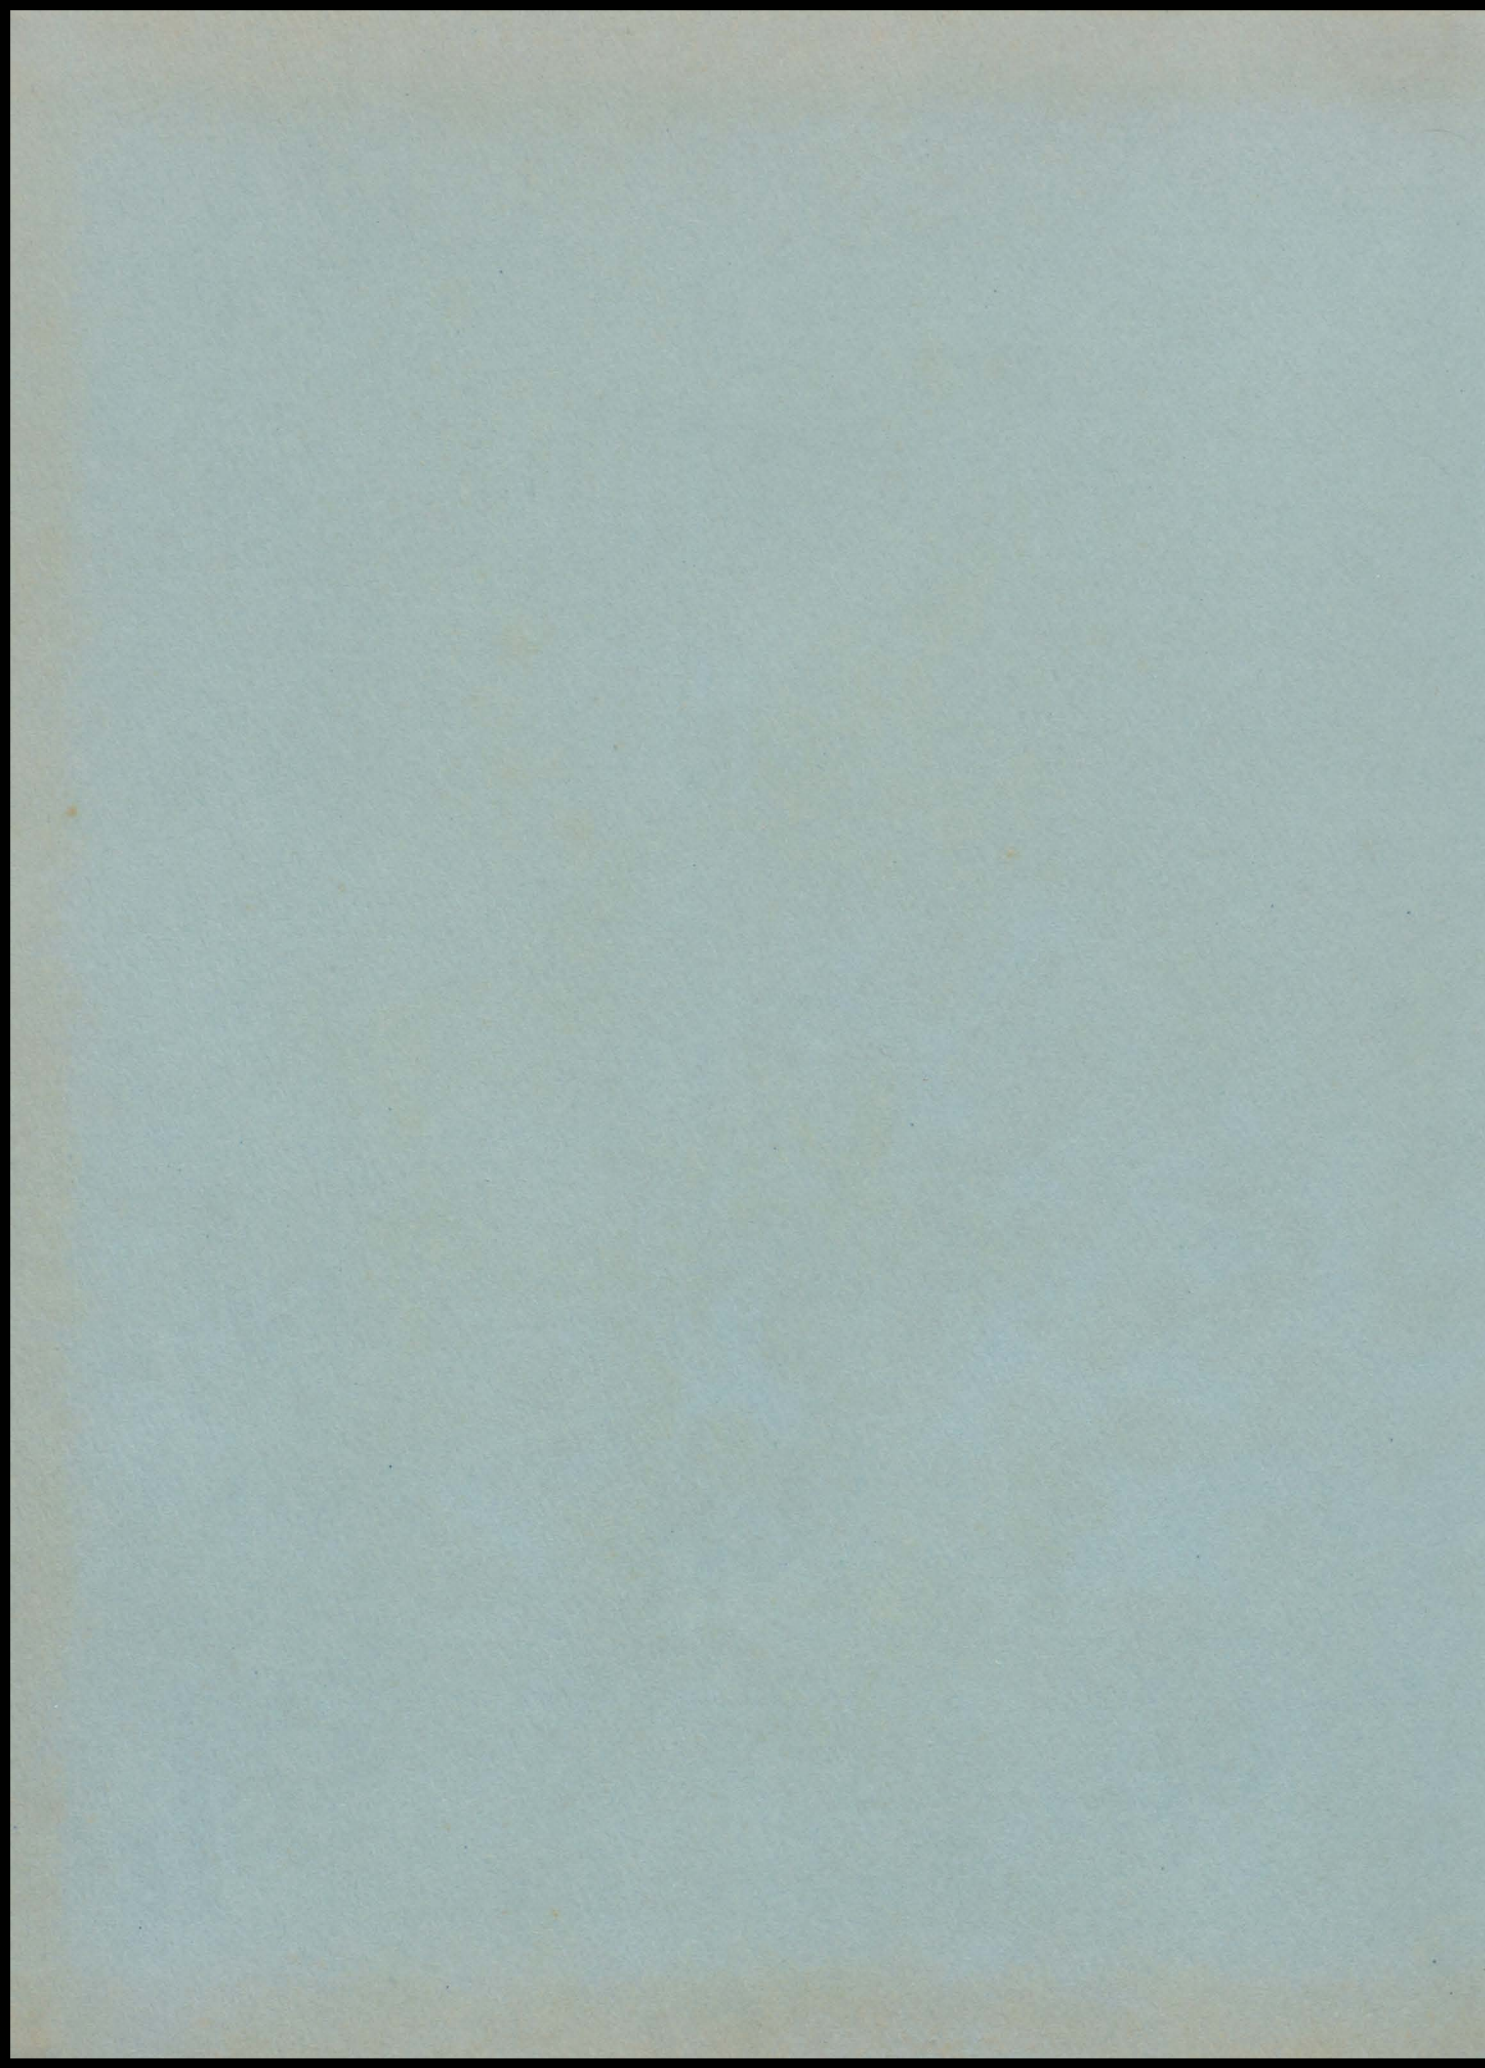

Deep in my heart there's a longing,  
Just for the sight of you;  
I know you're always waiting,  
I know you're always true.

Alma Mater, Alma Mater, I love you.  
Paradise forever lies 'neath skies of blue.  
In the sunshine or in shadow ever new,  
Alma Mater, Alma Mater, I love you.

# *We Introduce...*

*"Lil' Tom Tom"*

To guide you through this book of fondest memories, we present "Lil' Tom Tom" - a symbol of our five wonderful years at Wi-Hi. For the graduating seniors, he will serve as a lasting reminder of many past incidents which can never be duplicated or equalled. We ardently hope that he may also help Wi-Hi remember its class of 1952.

## *Dedication...*

It is with greatest sincerity that we make this dedication to two outstanding members of our faculty. Miss Florene Erwood and Miss Helen Wootton, do, indeed, deserve more than a simple "thank you". Their untiring assistance and well-chosen counsel has exemplified the many virtues by which both are recognized. So, to these mutual friends, with our warmest gratitude, we now say farewell.

# Class History

## EIGHTH GRADE

The first part of a wonderful dream had at least become reality. High School proved to be just as exciting and confusing as we had anticipated.

The entire routine was different, but gradually we began to adjust ourselves. More and more we gained the feeling of belonging; of becoming an actual part of an active group.

Toward the end of the year, which had lived up to all its expectations, the eighth grade took their annual trip to Philadelphia, including visits to the planetarium, Museum of Natural History, and the zoo.

Could the future years at Wi-Hi ever surpass the first?

## NINTH GRADE

How our perspective had changed in the Freshman year. Well, after all we were a *whole year older!*

People were familiar, this year, as was the school, and all obvious hesitation had vanished.

Our homerooms included 3, 5, 8, 9, 27, and 30.

With the coming of 1949, the Winter Carnival made its entrance into Wi-Hi with Margaret White as freshman representative. Barbara Ann Jones and Pat McCaffrey served as ladies-in-waiting to the May Queen.

Now as freshman we could try out a new field — high school activities. A little reluctant at first we soon entered sports, clubs, and other organizations with whole-hearted enthusiasm.

## TENTH GRADE

As Sophomores we returned with definite ambitions and aims to find that each new day became filled more and more with school activities. The annual Sweater Hop was a huge success with everyone appropriately blossoming forth in sweaters and socks.

Leona Jones and Shirley Salmons were attendants to the Queen at May Day this year.

One of the year's highlights was the Student Council elections. Beryl Sharrar and Pat McCaffrey emerged second and third vice-presidents.

We were really being recognized now!

## ELEVENTH GRADE

Junior year brought us the exalted feeling of being UPPER CLASSMEN!

As Juniors we assumed the duties of electing class officers. They were Marvin Long, president; William Nock, vice-president; Leona Jones, secretary; and Pat Schoonover, treasurer.

Homerooms were 4, 5, 9, 10, 27 and 30.

Social functions included the Junior Dance which made the class of '52 one of the first to have completed a dance for each of its five years.

"The Night of January Sixteenth" was the Junior Class Play. It was applauded on its single night stand.

Late in spring the editor of the Wi-Hi News for 1952 was announced. Margaret Dryden had been elected to this important and responsible position. So ended another wonderful and exciting year at Wi-Hi.

## TWELFTH GRADE

It really didn't seem like four years since we had entered as eighth graders. Were we ever as small as those tiny tots entering Wi-Hi this September? Had we really reached this greatest goal?

As the weeks went by and Thanksgiving faded into Christmas we realized how little time we had left in W.H.S. In September, the school year had seemed long ahead of us but now it was galloping too fast toward its end.

Results of class officers were: Kenneth Smith, president; Stuart Merriken, vice-president; Barbara Disharoon, secretary; Pat Schoonover, treasurer; and Janice Taylor, historian.

Bill Nock headed the Student Government and Beryl Sharrar, the Tom-Tom staff.

From the new year on, the days were full with elections for the class motto, flower, and colors; the class play selection and casting which was "George Washington Slept Here;" plans for the prom, May Day, Junior-Senior Banquet and graduation.

It would be just a short while before we could only recapture memories of five happy years. Now we began to realize that only in future years, when thoughts of our high school career would be brought to mind, would the true meaning be fully understood and appreciated.

Historian

 As a traveling salesman, he's world renowned.  
*Barbara Dennis* has changed her life,  
 For now she's a sweet little wife.  
*Jane Konieczny* is full of knowledge,  
 But still she's bound for Western Maryland College.  
*Ted Lewers* has no financial cares,  
 As a charging lineman of the Chicago Bears.  
 There's a *Corkran* from 27, her name is *Joyce*,  
 She is now well-known for her wonderful voice.  
*Doris Truitt* is doing fine;  
 New Year's Eve is still her night to shine.  
 Valentino! We're shoving you over,  
*Donald Timmons* is now the World's Greatest Lover.  
*Jim Tromley* gives pitchers the willies,  
 As the slugging third baseman of the Phila. Phillies.  
 Want to get the baseball report?

Ask *Betty Horsman*, she knows the sport.  
 Although all laughed, *Sam Willey* vowed he'd make good,  
 He did too; that certain girl knew he could.  
*Nancy Huether* is in love as you can see,  
 With a big husky boy, as handsome as can be.  
 Still on the water is *David Smith*,  
 The Merchant Marines, he's still with.  
*Elsie Gravenor* hardly says a word,  
 But as a housewife, she's a smart little bird.  
 To teach teachers how to teach,  
 Is the goal *Charlotte Davis* wants to reach.  
*Joan Leas Green* can throw away her physics book,  
 'Cause now she must really learn how to cook.  
 Many a track record has *Gale Seaton* broken,  
 About these feats many words have been spoken.  
*Virginia Holloway* says many a word,  
 Boys, boys, boys — that's all is heard.  
*Everett Hughes* is a big rancher man,  
 For now he has many acres of his own land.  
*Anna Lee Johnson* can really sew,  
 That's just what it takes these days to catch a beau.  
 Up in the air is *Barbara Rayne*,  
 She found her man in a jet airplane.  
*Betty Hughes'* love for children will never stop,  
 This acquired her a job at the Art Linen Shop.  
*Richard Parsons*, from that fateful June day,  
 Cast his lot with Anchors Aweigh.  
 Says *Glenn Benson*, "Look at me!  
 Now I'm president of the A & P."  
*Pat Murphy* lassoed a guy named *Syke*,  
 She's now making sure he's roped up tight.  
 Having trouble with your eyes?  
 See *Charles Blizzard*, on this subject he's wise.  
*Dot Morris* wanted a teaching career,  
 But all that is changed, now that *Sam's* near.  
 Here is the temperature registering zero,  
 And *K Franks* is still our mighty football hero.  
*Pat McGowan*, a steno by pick,  
 Her typing ability has helped make her click.  
*Ernest Lewis*, with his mechanical mind,  
 Has a water-burning car as his latest design.  
*Joyce Graham* jumped on her bike,  
 Now she's out on a search for *Ike*.  
 The woman jury naturally defended his first case  
 When lawyer *Bill Nock* presented his handsome face.  
*Francis Pusey* now has a job with the "Times",  
 He sits all day writing by-lines.  
*Shirley Yohe* is now a cover girl,  
 But she still has time for her man, *Dave Pearl*,  
 We hear *Jim Smith* has a sore knee,  
 From pacing the floor as a father-to-be.  
*Eleanor Brumbley* is really in a fix,  
 She tried to make pie crust with a cake mix.  
*Ernest Pope*, a baseball player he wanted to be,  
 He got his wish — his team now plays in Tennessee.  
 All through life *Janice Hopkins* will glide,  
 She met her man on a roller coaster ride.

Writing up these prophecies is all that we can do,  
 But whether they come to be or not, is really up to you;  
 Some may be just for laughs, others might come true,  
 But one thing's sure, there'll always be a "Class of '52".

The 1951-52 Student Council held its first meeting on the morning of Sept. 19, 1951. Headed by Bill Nock, president; Beryl Sharrar, first vice president; Bob Hardiman, second vice president; Carole Bogage, third vice president; and Elizabeth Ellis, secretary-treasurer; it soon began a year of hard work and many accomplishments.

Under the chairmanship of Margaret Dryden, the Council's concession stand at home football games netted \$600. With this capital, together with the money made by the sale of handbooks, the Student Council financed most of their projects.

Early in the year, the Council selected 4 delegates to represent Wi-Hi at the State Student Council Convention in Catonsville, Oct. 18 and 19. Chosen were President Bill Nock, Vice President Beryl Sharrar, and members Virginia Tull and Jim Leutze. At this meeting, our representatives were instrumental in opposing the 20% Federal Admissions tax which was abolished shortly afterwards.

Wi-Hi Council members also played an important part in the Lower Shore Association. Marvin Long of Wi-Hi was the 1951-52 presiding officer of this organization.

Following a back-to-school hobo dance, the Council concentrated on the job of refurbishing the teachers' room. A couch and two chairs were bought and a table was refinished and moved in.

The monitor system, headed by Vice President Beryl Sharrar, was divided into 2 shifts this year, making it more efficient and giving more seniors a chance to be monitors. By changing the up and down stairway system into an in and out arrangement, the traffic was made to run even more smoothly. Another confusing element was removed by allowing students to go to their lockers after both 2nd and 3rd periods, rather than just after 3rd as had been the practice.

This year's Student Council appropriated \$97.50 to pay for assemblies ordinarily financed by the school. The Winter Carnival, put on under the auspices of the Council for the second year, netted a profit of \$12.79. This was the first time that money had ever been made on a big dance and thus was proof that our fight against the admissions tax had been worthwhile.

One issue of the Wi-Hi News was financed entirely by the Council, being the first issue that did not cause a deficit in the newspaper's budget.

Another successful project was the annual clean-up campaign, headed this year by junior Virginia Tull. With Craig Mortimer as budget chairman, the Student Council's policy to spend all money made this year was carried out in full. The 1952-53 Council will have clear profit from their sale of handbooks and a good financial start. We wish them the best of luck. May their year be as successful as ours has been.

Five o'clock and the family starts to unwrap their presents.

Before going to the homes of Barbara Heath and Phyllis Hatton, let us turn the calendar back to a certain Christmas Eve that stands out so well in the mind of menu. Boys are also studying cooking at that school.

The Wicomico High School Band, under the direction of Mr. Jupina, participates in many school activities. It plays for school assemblies, pep rallies, and at football games both home and away. Besides curricular activities, it participates in parades, at various PTA meetings, and other civic events.

A high spot in every year is the annual trip to Washington for the AAA parade in which the Wi-Hi Band competes for state and national honors. During the summer months, the band presents concerts on Sunday evenings.

This year the band traveled to College Park, Md.; to participate in the first Maryland Band Festival. This was not a contest. The band was evaluated on professional standards by three expert judges. Their criticisms have proved very helpful to the band.

The most important event of the school year is always the band's annual concert. With all of these various activities, the Wi-Hi Band has a very busy and active year. It is, indeed, one of the most important functioning organizations of the school.

Under the experienced guidance of Coach Jim Mills, the soccer team had quite a successful and inspiring record behind them at the end of their 1951 season. They had chalked up 5 wins, 1 loss, and 1 tie.

In 4 of their 5 victories, opposing teams were left scoreless: Pittsville and Hebron each found themselves twice with their number of goals set at 0.

Never did the opposition score more than 2 points. Wi-Hi raked up a total of 27, to the total score of 4 for all opposing teams combined.

Lettermen this year were: Jim Baker, Jerry Davis, Lee Ryan, Jack Sloan, Bruce Conner, Donald White, Delbert Kohl, Bill Dennis, Donald Long, Herb Morris, Ernest Pope, and Richard Murphy. The latter three squad members, as Seniors, were playing their last season of Wi-Hi soccer.

# Fieldball

The Wi-Hi girls' Fieldball team this year lost possession of the trophy which was presented to them at the end of the 1950 season by the Wicomico Recreation Commission. In order to keep this trophy permanently, a team must win the County Championship for 3 consecutive years. Wi-Hi lost the '51 Championship by the narrow margin of one-half point, giving up the trophy to Mardela, an old rival.

Nevertheless, the final record of the team was not a bad one. In a 7-game schedule, they finished the season with 5 wins, 1 loss, and 1 tie.

High scorer for the '51 team was Jane Konieczny, who was also chosen the "Most Valuable Player" by her fellow members of the squad. Three nominations were made and later voted on by secret ballot to determine the team's choice.

Scores by games were as follows:

The Wicomico High Indians ended their successful 1951 season with a log of 5 wins, 2 losses, and 1 tie. It was one of the better records within recent years. Of the 7 seniors lost to the team of 1952, 4 were lettermen. They leave the Indians, however, with many experienced players. An outstanding 1951 Junior Varsity team will also be offering experience to the squad.

The tribe this year was fortunate in having 2 extra coaches, who were a big help to Coach Charles Berry. Coach Howard Phipps handled the offensive and defensive backfield, Major Robert Connely was defensive end coach, and Coach Berry took care of the offensive and defensive line.

Wi-Hi opened the season against **Seaford**, who scored in the first period and held the Indians down to a score of 12 to 0.

**Laurel**, the next game, was the highlight of the year. Laurel had not been beaten by Eastern Shore competition since 1948, but an inspired Wi-Hi team scored a 7 to 6 victory over them. A pass set up the winning score. Lee Levering tossed the pigskin to Roscoe Dixon, who took it down to the 9-yard line. Danny Wagner then threw a pass to Chuck Smith, who went over the goal line to make the score tied at 6 to 6. Trying for the extra point, Wagner faked a kick and lateraled to Smith who crossed into the end zone for the victorious point. According to the statistics, Wi-Hi was the superior team, gaining 289 yards through scrimmage to Laurel's 264. Total yardage . . . 345 to 246.

The Indians' victory over **Charlotte Hall** Military Academy was next on the slate. Wi-Hi scored in every quarter but the third. The opposition's 2 touchdowns were taken over the goal line by recovering fumbles. Before the game, the records of both teams were identical. Outcome: 20-13.

Over one and a half thousand spectators watched Wi-Hi defeat **Milford High School** 26 to 0 for their third win in 4 games. Milford was on the defense from the opening whistle.

The **Dover** Senators were Wicomico's next opponents. Trailing at half-time 13 to 7, the Indians came back strongly in the second half and never let Dover inside their 30 yard-line. Final score . . . 13 to 13.

An undefeated **Bel Air** squad gave the Indians a close game. Wi-Hi scored in the opening minutes of the first quarter after an uninterrupted 62 yard push, but were unable to score again when Bel Air tightened their defense. The opposing Bel Air scored in the third quarter but their extra point kick was wide. This made the score 7 to 6.

**Westminster** was beaten by the Indians, 26 to 19. It was a free scoring game from the start, when Wi-Hi received the kickoff on the 15-yard line and scored in 2 plays. The half time score was 13 to 0. Westminster scored their 19 points during the last quarter.

**Cambridge** upset Wicomico on Thanksgiving Day to win their first game since the rivalry between the two schools first began. The Indians looked their best during the first quarter, reeling off four first downs and scoring from the 17-yard line. The touchdown, however, was nullified . . . a big blow to the whole Wi-Hi team, as well rooters. From then on, the Indians were on the defense. The score of 20 to 0 speaks for itself and rivalry will be even greater for future teams. Next year let's hit 'em high, hit 'em low . . . c'mon team, let's go, go, go!

The Wi-Hi Indians added another successful chapter to the record books during the 1951-52 basketball season. After dropping two of the first four games they went on to win 15 straight before losing the finale and thus ended up with a splendid record of 17 wins and 3 losses.

Ocean City edged the Tribe by one point on the seashore court in the second game of the season. From this point, Wi-Hi went on to mop up all their Eastern Shore opposition. Included in the lengthy winning streak was a return 50-37 win over the Ocean City Vikings, State "C" Champions.

The two other defeats were administered by Western Shore foes . . . a highly-rated Southern High quint from Baltimore on the final 1951 game. Wicomico led until the waning moments of play and even though losing 44-41, the Indians appeared to play better ball.

Wi-Hi dumped Cambridge 37-30 in a drive for the elusive State Class A Championship but could not overcome Montgomery Blair in the semi-finals. The mighty contingent from Silver Springs proved too much for the Tribe and eliminated them from the tournament by a 60-44 score.

Wearing Wi-Hi togs for the last time in this skirmish were Boyd Austin, Roscoe Dixon, Roland Foskey, Duck Hopkins, and Marvin Long.

The Indians will surely miss the scoring wallop of Marv and Duck as well as the great defensive jobs and floorwork turned in by Roscoe and Roland.

However we feel sure that next years' squad will uphold Wicomico's basketball reputation. We wish them the best of luck and hope they can capture that "elusive" state championship.

Coach Sam Seidel certainly deserves recognition for the outstanding record he has turned in during his five years of tutoring the Indians. The first season, which was more or less an experimental one, his squad compiled a mediocre log of 8 victories and 9 defeats.

During the last four seasons his teams have won 68 games while losing only 15. He has coached 4 finalists in state tournament play, two of them losing heartbreaking one point decisions.

Even though he has not been fortunate enough to win either state Crown, Coach Seidel has brought the Wicomico Indians up on a par with Western Shore teams.

Coach Mary Morling Troy led the girls' basketball team through a season of 8 losses and 5 wins. Victories were over Millsboro, 53-14 and 47-27 Easton, 38-14; Mardela 31-21; and the highlight of the season was a last game victory over Ocean City, Wi-Hi's seashore rival, with a score of 35-25.

Jane Konieczny led the scoring parade with 188 points followed by Virginia Tull, 86; Lynn Robins, 76; Jackie Moore, 69; Ann Tull, 15; and Pat McCaffrey, 10.

Outstanding defensive play cannot be forgotten or overlooked. The job of the guards was one of un-sung heroines.

The following seniors leave their teammates to carry on next year: Jane Konieczny, captain; Lynn Robins, Pat McCaffrey, Iris Bradley; Arlene Kennedy, Dot Wade, Nancy Kemmerer, Betty Horsman, and Barbara Disharoon.

The 1952 baseball team did not have too impressive a year, winning six and losing five games. The Indians started off the season with a bang, overwhelming Millsboro 19 to 0. They ended their season, however, with a dull thud . . . being swamped by Easton 11 to 1.

Bill White led the team in hitting with a record of .400, or 14 for 35. He was followed by Delbert Kohl who hit .333.

On the mound, Richard Smith headed the pitchers with a 2-2 record (.500). Close behind him were Tom Dorman with a record of 2-3 (.400) and Bruce Connor with a 1-0 (1.000).

## And Now...

We are through. We have attempted to compile the events of the 1951-52 school year in such a way that you may look back on them and recall fond memories through the medium of this book. The task has been a large one, but, we must admit, it has been pleasant also. To record the activities of a growing student boy in a limited number of pages has been difficult. We have done our best, and we sincerely hope our best is satisfactory to you.

Mention should be made here of the helpful advice of our staff advisor, Mr. J. Morris Jones, and of the generosity of Mr. Dalton B. Howard and his photography club in taking our pictures. We must also thank our advertisers who have made this book financially possible.

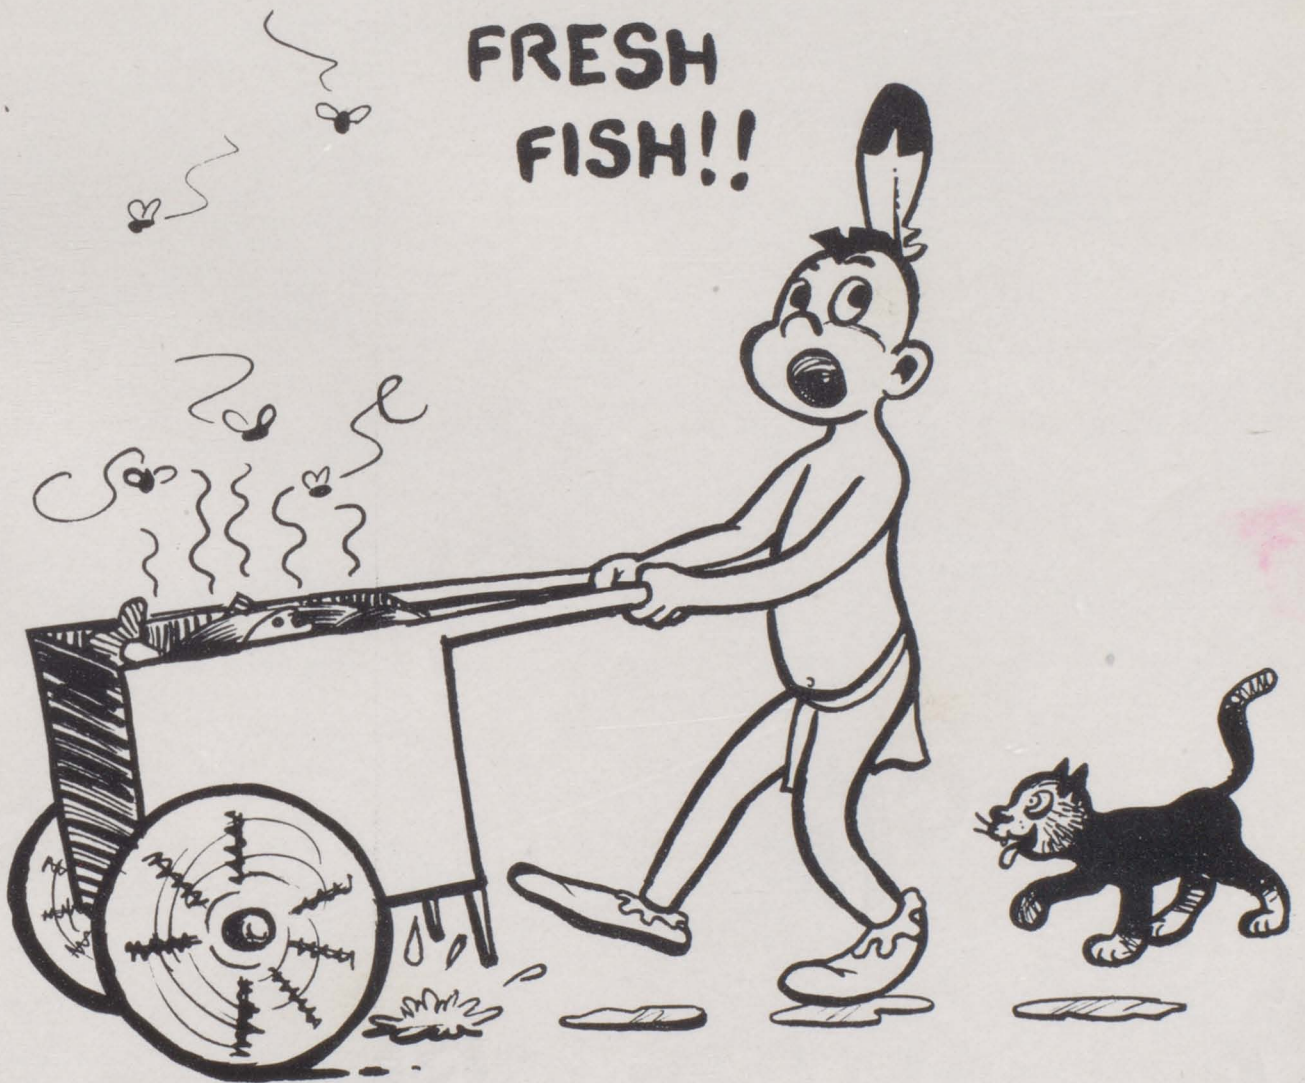

Mr. William B. Jones, our principal, and the entire faculty are also due a vote of appreciation for their patience and understanding in the publishing of the Tom Tom.

And now . . . we thank you all, and say farewell.
